

Customer Sign-Off Instructions

Please follow the below steps as an AWS Partner ("Partner") and Customer to complete Customer Sign-Off. Missing or inaccurate information in the Customer Sign-Off may cause delays or rejection of your fund claim. Any previous versions or modifications to this Customer Sign-Off are not accepted. Email acknowledgment is NOT acceptable.

For MAP fund request submitted after July 1st, 2024, please refer [MAP Customer Sign-off](#).

To avoid claim rejection

- Partner must attach this completed document to their claim submission in AWS Partner Funding Portal (APFP).
- Both Partner and Customer Acknowledgement boxes must be checked.
- Signatures can be executed via wet signature, DocuSign, or alternative electronic signature tool.
 - Wet signatures may be accepted as a scanned PDF.
 - For DocuSign or other electronic signature tools, the Certificate of Completion or signature summary document **must be included**.
- 'Fill & Sign' option in Adobe Acrobat is acceptable. Typed signature must be saved as certified copy which includes an audit trail. Typed signature without certification will **not accepted**.
- Email acknowledgement sign off is **NOT** acceptable.

Scope and Project Details

*All fields required in this section

Project Name:	POC I Polarity I Gruppo4D
Fund Request ID:	FR-POC-CASH-cbac7ef56dfe-ff1a83197603
Actual Start Date ¹ :	24/11/2025
Actual End Date:	01/12/2025

For AWS Partner Only

Partner Acknowledgment:

(Required) I, (the AWS Partner) hereby acknowledge that I have successfully completed the Project defined in accordance with: (a) scope of work provided to AWS, (b) the guidance provided by AWS, (c) the AWS pre-approval, and (d) the [AWS Partner Network Terms & Conditions](#).

Public Sector Only: If this Project is by or for a customer that is a part of (or is fully or partially owned, managed, or controlled by) any government at any level, then I represent and warrant that I will disclose and pass on the full value of the funding and other incentives to the customer, including any eligible incentives, and/or discount or rebate for the work performed under the Project, and that I will not retain or use any portion of the funding or other incentives as additional compensation or margin.

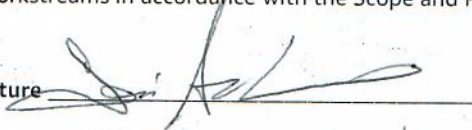

Total AWS Pre-approved Funding Amount² _____

For Customer Only
